

| <b>Policy Category</b> | <b>Policy Number and Title</b>   | <b>Legal Effect</b> | <b>Implementation Timeline</b>  | <b>Drinking Water System Location</b> | <b>Applicable Areas</b>   | <b>Implementers</b>           |
|------------------------|--|---------------------|---|---------------------------------------|---|-------------------------------|
| Transition             | Transitional Policies  | Must Conform        | When the plan takes effect.   | Point Anne                            | All vulnerable areas in the Quinte Source Protection Area   | Municipalities and Ministries |
|                        | Interruptions/Expansion Policy   | Must Conform        | When the plan takes effect.   | Point Anne                            | All vulnerable areas in the Quinte Source Protection Area   | Municipalities and Ministries |
| General                | G-1: Education and Outreach  | Must Conform        | Within 2 years of the Plan, or any plan amendment, as applicable, takes effect.   | Point Anne                            | Areas where sewage, agriculture, pesticides, fertilizers, road salt, fuel, DNAPLs, and/or organic solvents could be significant, moderate, or low threats within the Quinte Source Protection Area. | Municipalities                |
|                        | G-2-F: Updating Spill Response Procedure and Emergency Response Plans                | Strategic           | Within one year of the Plan, or any plan amendment, as applicable, taking effect. | Point Anne                            | IPZ 1, 2, 3a & 3b WHPA A, B & C   | MECP                          |
|                        | G-3-E&F: Emergency Planning in Intake Protection Zones and Wellhead Protection Areas | Strategic           | Within 1 year of the Plan, or any plan amendment, as applicable, takes effect.    | Point Anne                            | IPZ 1, 2, 3a & 3b WHPA A, B & C   | Municipalities                |

|         |  |           |   |            |   |   |
|---------|--|-----------|---|------------|---|---|
| General | G-4-E: Existing Transport Pathways – Well Decommissioning or Upgrading | Strategic | Within 3 years of the Plan, or any plan amendments, as applicable, takes effect.  | Point Anne | WHPA A, B, and C  | Municipalities and MECP                                       |
|         | G-5-F: Transport Pathways Preventative Measures                        | Strategic | When the Plan, or any plan amendment, as applicable, takes effect.  | Point Anne | IPZ 1, 2, 3a & 3b<br>All Transport Pathways: WHPA A<br>Earth Energy Systems - Vertical Closed Loop: WHPA A & B<br>Earth Energy Systems - Vertical Boreholes: WHPA C | Municipalities  |
|         | G-5a-F: Transport Pathways Notification                                | Strategic | When the Plan, or any plan amendment, as applicable, takes effect and in accordance to subsection 27(3) of Ontario Regulation 287/07. | Point Anne | IPZ 1, 2, 3a & 3b<br>WHPA A, B & C  | Municipalities  |
|         | G-5b-F: Transport Pathways Notification                                | Strategic | When the Plan, or any plan amendment, as applicable, takes effect and in accordance to subsection 27(3) of Ontario Regulation 287/07. | Point Anne | IPZ 1, 2, 3a & 3b<br>WHPA A, B & C  | Quinte Conservation Authority and Source Protection Authority |
|         | G-6-F: Inspection of Transport Pathways – Wells WHPA B, C, and D       | Strategic | When the Plan, or any plan amendment, as applicable, takes effect.  | Point Anne | WHPA B & C  | MECP  |

|         |  |           |   |            |  |   |
|---------|--|-----------|---|------------|--|---|
| General | G-7-E & F: Management of Household Hazardous Waste   | Strategic | Within 1 year of the Plan, or any plan amendment, as applicable, takes effect.  | Point Anne | All vulnerable areas where hazardous materials such as DNAPLs and Organic Solvents could be significant, moderate, or low drinking water threats.  | Municipalities                                |
|         | G-8- E & F: Road Signs for Intake Protection Zones and Wellhead Protection Areas                             | Strategic | Within 2 years of the Plan, or any plan amendment, as applicable, takes effect. | Point Anne | IPZ 1 & 2, and major roads (Provincial, regional, and municipal roads) cross through the vulnerable area. WHPA A & B, and major roads (Provincial, regional, and municipal roads) cross through the vulnerable area. | Municipalities and Ministry of Transportation |
|         | G-9-F: Raw Water Sampling Under the Drinking Water Surveillance Program for Municipal Drinking Water Systems | Strategic | Within 2 years of the Plan, or any plan amendment, as applicable, takes effect. | Point Anne | IPZ 1<br>WHPA A  | Municipalities and MECP                       |
|         | G-10-E & F: Climate Change Assessment  | Strategic | Within 2 years of the Plan, or any plan amendment, as applicable, takes effect. | Point Anne | IPZ 1, 2, 3a & 3b<br>WHPA A, B & C   | Municipalities                                |

|                |   |              |   |            |   |                |
|----------------|---|--------------|---|------------|---|----------------|
| General        | G-11-E & F:<br>Source Protection for All Drinking Water Systems                 | Strategic    | When the Plan, or any plan amendment, as applicable, takes effect.  | Point Anne | All highly vulnerable aquifers where the release of contaminants could result in contamination of the source water for any drinking water systems | Municipalities |
| Waste Disposal | 1-1-F:<br>Prescribed Instrument for Prohibition of Future Waste Disposal Sites  | Must Conform | When the Plan, or any plan amendments, as applicable, takes effect.   | Point Anne | IPZ 1 & 2<br>WHPA A, B & C  | MECP           |
|                | 1-2-E:<br>Prescribed Instrument for Management of Existing Waste Disposal Sites | Must Conform | Within 3 years of the Plan, or any plan amendments, as applicable, takes effect.  | Point Anne | IPZ 1 & 2<br>WHPA A, B & C  | MECP           |
|                | 1-3-F: Land Use Planning for Prohibition of Future Water Disposal Sites         | Must Conform | The policy will be implemented when the Plan, or any plan amendments, as applicable, takes effect. Official plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the official Plan. | Point Anne | IPZ 1 & 2<br>WHPA A, B & C  | Municipalities |

|                |   |              |  |            |  |   |
|----------------|---|--------------|--|------------|--|---|
| Waste Disposal | 1-6-E & F: Prescribed Instrument for Management of Existing and Future Waste Disposal Sites (Moderate Threat) | Strategic    | Within one year of the Plan, or any plan amendment, as applicable, taking effect.  | Point Anne | All areas is the Quinte Source Protection Area | MECP                                    |
|                | 1-7-E & F: Risk Management for Waste Generation Facilities  | Must Conform | When the Plan, or any plan amendments, as applicable, takes effect for future activities within 2 years of existing activities.  | Point Anne | IPZ 1 WHPA A & B                               | Risk Management Official - Municipality |
|                | 1-8-E & F: Restricted Land Use for Waste Generation Facilities  | Must Conform | When the Plan, or any plan amendments, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review under Section 26 of the <i>Planning Act</i> and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan. | Point Anne | IPZ 1 WHPA A & B                               | Municipalities                          |

|        |   |                 |  |            |                    |                |
