

Policy Categories	Policy Number and Title	Legal Effect	Implementation Timeline	Drinking Water System Location	Applicable Areas	Implementers
Transition	Transitional Policies	Must Conform	When the plan takes effect.	Peats Point	All vulnerable areas in the Quinte Source Protection Area	Municipalities and Ministries
	Interruptions/Expansion Policy	Must Conform	When the plan takes effect.	Peats Point	All vulnerable areas in the Quinte Source Protection Area	Municipalities and Ministries
General	G-1: Education and Outreach	Must Conform	Within 2 years of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	Areas where sewage, agriculture, pesticides, fertilizers, road salt, fuel, DNAPLs, and/or organic solvents could be significant, moderate, or low threats within the Quinte Source Protection Area.	Municipalities
	G-2-F: Updating Spill Response Procedure and Emergency Response Plans	Strategic	Within one year of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A, B, C, D & E	MECP
	G-3-E&F: Emergency Planning in Intake Protection Zones and Wellhead Protection Areas	Strategic	Within 1 year of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A, B, C, D & E	Municipalities
	G-4-E: Existing Transport Pathways – Well Decommissioning or Upgrading	Strategic	Within 3 years of the Plan, or any plan amendments, as applicable, takes effect.	Peats Point	WHPA A, B, and C	Municipalities and MECP

General	G-5-F: Transport Pathways Preventative Measures	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	All Transport Pathways: WHPA A Earth Energy Systems - Vertical Closed Loop: WHPA A & B Earth Energy Systems - Vertical Boreholes: WHPA C & D	Municipalities
	G-5a-F: Transport Pathways Notification	Strategic	When the Plan, or any plan amendment, as applicable, takes effect and in accordance to subsection 27(3) of Ontario Regulation 287/07.	Peats Point	WHPA A, B, C, D & E	Municipalities
	G-5b-F: Transport Pathways Notification	Strategic	When the Plan, or any plan amendment, as applicable, takes effect and in accordance to subsection 27(3) of Ontario Regulation 287/07.	Peats Point	WHPA A, B, C, D & E	Quinte Conservation Authority and Source Protection Authority
	G-6-F: Inspection of Transport Pathways – Wells WHPA B, C, and D	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A, B, C & D	MECP
	G-7-E & F: Management of Household Hazardous Waste	Strategic	Within 1 year of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	All vulnerable areas where hazardous materials such as DNAPLs and Organic Solvents could be significant, moderate, or low drinking water threats.	Municipalities

General	G-8- E & F: Road Signs for Intake Protection Zones and Wellhead Protection Areas	Strategic	Within 2 years of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A B & E, and major roads (Provincial, regional, and municipal roads) cross through the vulnerable area.	Municipalities and Ministry of Transportation
	G-9-F: Raw Water Sampling Under the Drinking Water Surveillance Program for Municipal Drinking Water Systems	Strategic	Within 2 years of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A	Municipalities and MECP
	G-10-E & F: Climate Change Assessment	Strategic	Within 2 years of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A, B, C, D & E	Municipalities
	G-11-E & F: Source Protection for All Drinking Water Systems	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	All highly vulnerable aquifers where the release of contaminants could result in contamination of the source water for any drinking water systems	Municipalities
Waste Disposal	1-1-F: Prescribed Instrument for Prohibition of Future Waste Disposal Sites	Must Conform	When the Plan, or any plan amendments, as applicable, takes effect.	Peats Point	WHPA A, B, C & E	MECP
	1-2-E: Prescribed Instrument for Management of Existing Waste Disposal Sites	Must Conform	Within 3 years of the Plan, or any plan amendments, as applicable, takes effect.	Peats Point	WHPA A, B, C & E	MECP

Waste Disposal	1-3-F: Land Use Planning for Prohibition of Future Water Disposal Sites	Must Conform	The policy will be implemented when the Plan, or any plan amendments, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A, B, C & E	Municipalities
	1-6-E & F: Prescribed Instrument for Management of Existing and Future Waste Disposal Sites (Moderate Threat)	Strategic	Within one year of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	All areas is the Quinte Source Protection Area	MECP
	1-7-E & F: Risk Management for Waste Generation Facilities	Must Conform	When the Plan, or any plan amendments, as applicable, takes effect for future activities within 2 years of existing activities.	Peats Point	WHPA A & B	Risk Management Official - Municipality

Waste Disposal	1-8-E & F: Restricted Land Use for Waste Generation Facilities	Must Conform	When the Plan, or any plan amendments, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
Sewage	2-1-E & F: Connection to Municipal Sewage Collection Systems- Private Sewage Systems/Works (less than 10,000 litres/day) and Large Sewage Systems (greater than 10,000 litres/day)	Must Conform	Within 2 years of the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A& B	Municipalities
	2-2-E: Inspection of Residential Onsite Sewage Systems/Works (less than 10,000 litres/day)	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect and in accordance with the Ontario Building Code.	Peats Point	WHPA A& B	Municipalities

Sewage	2-3-F: New Development and Future Construction on Lots of Record with Proposed Sewage Systems (less than 10,000 litres/day and greater than 10,000 litres/day)	Must Conform	The policy will be implemented when the Plan, or any plan amendments, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within 3 years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A& B	Municipalities
	2-4-E & F: Prescribed Instrument for Management of Existing and Future Large Onsite Subsurface Sewage Disposal Systems	Must Conform	Within 1 year of the Plan, or any plan amendment, as applicable, taking effect for future activities and within 3 years for existing activities.	Peats Point	WHPA A& B	MECP

Sewage	2-8-F: Land Use Planning for Prohibition of New Sewage Treatment Plants as Part of Wastewater Collection/Treatment Facility	Must Conform	The policy will be implemented when the Plan, or any plan amendments, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within 3 years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A, B & E	Municipalities
Agriculture	3-1-E & F: Prohibition of Agricultural Activities	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA A	Risk Management Official - Municipality
	3-2-E & F: Risk Management Plan for Managing Agricultural Activities	Must Conform	When the Plan, or any amendment, as applicable, takes effect for future activities, within three years for existing activities, and within five years for existing activities in the Issues Contributing Area.	Peats Point	WHPA B & E	Risk Management Official - Municipality

Agriculture	3-3-E & F: Restricted Land Used for Prohibition and Risk Management for Agricultural Activities	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A, B & E	Municipalities
	3-4-E & F: Prescribed Instrument for the Management of Agricultural Activities (Agricultural Source Material (ASM), Non-Agricultural Source Material (NASM), and Grazing)	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within two years for existing activities.	Peats Point	WHPA A, B & E	Ontario Ministry of Agricultural, Food and Agro Business (OMAFRA)
	3-5-E & F: Prescribed Instrument Inspections for the Management of Agricultural Activities (Agricultural Source Material (ASM), Non-Agricultural Source Material (NASM), and Grazing)	Strategic	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within two years for existing activities.	Peats Point	WHPA A, B, & E	MECP

Agriculture	3-6-E&F: Prescribed Instrument for the Application for the Agricultural Application of Pesticides	Must Conform	Within 1 year of the Plan, or any plan amendment, as applicable, taking effect for future activities and within 3 years for existing activities.	Peats Point	WHPA A, B & E	MECP
Aquaculture	5-1-F: Management of Agricultural Source Material (Aquaculture) – Moderate and Low Threats	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA E	MECP and MNR
Commercial Fertilizer Application	8-1-E & F: Prohibition of the Non-Agricultural Application of Commercial Fertilizer	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA A	Risk Management Official - Municipality
	8-2-E & F: Risk Management Plan for Non-Agricultural Application of Commercial Fertilizer	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA B	Risk Management Official - Municipality

Commercial Fertilizer Application	8-3-E & F: Restricted Land Use for Prohibition and Risk Management Plans for the Non-Agricultural Application of Commercial Fertilizer	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
Commercial Fertilizer Storage	9-1-F: Prohibition of Non-Agricultural Commercial Fertilizer Storage (Nitrogen and Phosphorus)	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A	Risk Management Official - Municipality
	9-2-E & F: Risk Management Plan for Managing Handling and Storage of Non-Agricultural Commercial Fertilizer	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 1 year for existing activities.	Peats Point	WHPA A & B	Risk Management Official - Municipality

Commercial Fertilizer Storage	9-3-E & F: Restricted Land Use for Prohibition and Risk Management Plans for Handling and Storage of Non-Agricultural Commercial Fertilizer	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
Pesticide Application	10-1-E & F: Prohibition of the Non-Agricultural Application of Pesticides	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA A	Risk Management Official - Municipality
	10-2-E & F: Risk Management Plan for Management of Non-Agricultural Application of Pesticides	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA B & E	Risk Management Official - Municipality

Pesticide Application	10-3-E & F: Restricted Land Use for Prohibition and Risk Management Plans for the Non-Agricultural Application of Pesticides	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next 5-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A, B & E	Municipalities
	10-4-E&F: Prescribed Instrument for the Application of Non-Agricultural Pesticides	Must Conform	Within 1 year of the Plan, or any plan amendment, as applicable, taking effect for future activities and within 3 years for existing activities.	Peats Point	WHPA A, B & E	MECP
Pesticide Storage	11-1-E & F: Prohibition of the Handling and Storage of Non-Agricultural Pesticides	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA A	Risk Management Official - Municipality
	11-2-E & F: Risk Management Plan for the Management of Handling and Storage of Non-Agricultural Pesticides	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA B	Risk Management Official - Municipality

Pesticide Storage	11-3-E & F: Restricted Land Use for Prohibition and Risk Management Plans for Handling and Storage of Non-Agricultural Pesticides	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
	11-4-E&F: Prescribed Instrument for Handling and Storage of Non-Agricultural Pesticides	Must Conform	Within 1 year of the Plan, or any plan amendment, as applicable, taking effect for future activities and within 3 years for existing activities.	Peats Point	WHPA A & B	MECP
Road Salt Application	12-1-E & F: Salt Management Plan for Significant, Moderate, and Low Threats Related to Application of Road Salt	Must Conform	Within two years of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A, B, C & D	Municipalities
	12-2-E & F: Salt Management Plan for Application of Road Salt	Strategic	Within one year of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A, B, C & D	Ministry of Transportation

Road Salt Application	12-5-E & F: Monitoring Road Salt in Municipal Drinking Water Sources	Strategic	Within one year of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A. B. C. & D	Municipalities
Road Salt Storage	13-1-E & F: Prohibition of Existing and Future Handling and Storage of Road Salt, where exposed to precipitation or runoff	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within one year for existing activities.	Peats Point	WHPA A & B	Risk Management Official - Municipality
	13-2-E & F: Restricted Land Use for the Handling and Storage of Road Salt	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
Snow Storage	14-1-E & F: Risk Management Plan for the Storage of Snow	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within one year for existing activities.	Peats Point	WHPA A & B	Risk Management Official - Municipality

Snow Storage	14-2-E & F: Restricted Land Use for Risk Management Plans and Prohibition for the Storage of Snow	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
	14-3-E: Prescribed Instrument for the Existing Storage of Snow	Must Conform	Within three years of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A & B	MECP
	14-4-F: Prescribed Instrument for the Future Storage of Snow	Must Conform	Within 1 year of the Plan, or any plan amendment, as applicable, taking effect	Peats Point	WHPA A & B	MECP
	14-5-E: Risk Management Plan of the Storage of Snow at Existing Snow Dumps	Must Conform	Within 2 years of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A & B	Risk Management Official - Municipality
	14-6-F: Future Prohibition of the Storage of Snow at Snow Dumps	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A & B	Risk Management Official - Municipality

Snow Storage	14-7-E: Existing Snow Dump Relocation Assessment	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within three years for existing activities.	Peats Point	WHPA A & B	Municipalities
Fuel	15-1-F: Prohibition of the Future Handling and Storage of Fuel	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A & B	Risk Management Official - Municipality
	15-3-E: Risk Management Plan for Existing Handling and Storage of Fuel (storage tanks greater than 2,500 litres)	Must Conform	Within one year of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A & B	Risk Management Official - Municipality
	15-4-E: Risk Management Plan for Existing Handling and Storage of Fuel (storage tanks greater than 250 and less than 2,500 litres)	Must Conform	Within two years of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A	Risk Management Official - Municipality

Fuel	15-5-E & F: Restricted Land Use Designation Prohibition and Risk Management Plans for Handling and Storage of Fuel	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
	15-6-E & F: Code Review for Handling and Storage of Fuel	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A & B	MECP and the Ministry of Consumer Services, Technical Standards and Safety Authority
	15-7-E & F: Handling and Storage of Fuel at Aggregate Operations	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within two years for existing activities.	Peats Point	WHPA A & B	MNR
DNAPL	16-1-E & F: Prohibition of Dense Non-Aqueous Phase Liquids (DNAPLs)	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA A	Risk Management Official - Municipality

DNAPL	16-2-E & F: Risk Management Plan for Managing the Handling and Storage of Dense Non-Aqueous Phase Liquids (DNAPLs)	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect for future activities and within 2 years for existing activities.	Peats Point	WHPA B & C	Risk Management Official - Municipality
	16-3-E & F: Restricted Land Use for Handling and Storage of Dense Non-Aqueous Phase Liquids (DNAPLs)	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five-year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A, B, & C	Municipalities
Organic Solvents	17-1-F: Prohibition for Future Handling and Storage of Organic Solvents	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A & B	Risk Management Official - Municipality
	17-2-E: Risk Management Plan for Handling and Storage of Organic Solvents	Must Conform	Within two years of the Plan, or any plan amendment, as applicable, taking effect.	Peats Point	WHPA A & B	Risk Management Official - Municipality

Organic Solvents	17-3-E & F: Restricted Land Use for Handling and Storage of Organic Solvents	Must Conform	The policy will be implemented when the Plan, or any plan amendment, as applicable, takes effect. Official Plans must be updated no later than the date of their next five year review required under Section 26 of the Planning Act and zoning by-laws must be updated within three years of the Official Plan amendments to bring them into conformity with the Official Plan.	Peats Point	WHPA A & B	Municipalities
Airplane De-icing	18-1-F: Management of Runoff Containing Airplane De-icing Fluid	Must Conform	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A & B	Municipalities
Liquid Hydrocarbon Pipeline	22-1- F: Liquid Hydrocarbon Pipeline Application Considerations	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A & B	Pipeline Proponent Canada Energy Regulator (formerly National Energy Board) Ontario Energy Board
	22-2-E & F: Management of Liquid Hydrocarbon Pipelines	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A, B, C & E	Pipeline Owner
	22-3-E& F: Liquid Hydrocarbon Pipeline Application Considerations	Strategic	When the Plan, or any plan amendment, as applicable, takes effect.	Peats Point	WHPA A, B, C & E	Quinte Source Protection Authority
